## Hello summer!

Summer is not too far away! The warmer weather has taken its time showing up this year, but hopefully sunnier days are here to stay for a while.

As I reflect on this past ministry year, it is with a thankful heart. We just held our annual Radiant Conference on June 6-7 with over 300 women in attendance. What an exciting weekend! As well, between September and May, over 200 women gathered on Tuesdays to study the book of Esther, Psalm 23, and the book of Philippians. While together, we also memorized scripture, prayed for one another, and encouraged each other throughout the ups and down of life. I'm so thankful for faithfulness of our leaders, as well as each woman who committed to come, rain, shine or snow!

Although we offer larger women's events throughout the year, Tuesday Bible Study is really the core of our Women's Ministry at Redemption. It is where discipleship happens through both biblical teaching and relationships. If you are not yet a part of our Tuesday Bible Study, I would encourage you to make plans to join us again in the fall!

Although the summer means a little less activity around the church, there are many ways that we can continue to grow in our love of God's Word and our fellowship with one another. Here are just a few ways we can be more intentional about how we spend our summer months:

- Join an online Bible study. (Visit [Lifeway](#) or [Esther Press](#) to join up.)
- Follow a Bible reading plan. ([She Reads Truth](#) offers shorter plans.)
- Read through and discuss a book with a friend. Even better, run a book club of your own!
- Think of someone you want to get to know and invite them for a coffee. ([This](#) is my favourite coffee shop!)
- Explore the hiking trails with family or friends. (Here's a [guide](#) to trails in London.)
- Be sure to attend the events going on at Redemption in June, July and August! (They're all listed [here](#)!)

May summer 2025 be one of rest and relationships as we enjoy the good gifts that God has so graciously given us!
